

QUICK SHIP INVENTORY PROGRAM FROM RICHARDS MANUFACTURING

Simply place your order with a clear indication of which line items/quantities should be “quick shipped”...

BENEFITS

Easy Ordering

Simply indicate which line items/quantities should be “quick shipped” – we’ll take care of the rest.

Next Day Shipping

Purchase Orders entered before 12:00pm (EST) will ship the next business day.

No Additional Costs

New speed, same cost – no membership or additional fees.

WHAT IS QUICK SHIP?

Richards Manufacturing is excited to introduce the **QUICK SHIP** program, created to serve contractor, industrial, and construction clients.

We have established pre-packed/ready-to-ship inventory of our most common Medium Voltage components. The program is designed to expedite material to work locations when emergency and urgent situations arise.

...and our dedicated team at the factory will process your order accordingly.

PRODUCTS OFFERED

Our program kicks off with a wide variety of medium voltage cable accessories. The **QUICK SHIP** inventory includes:

- 15/25/28kV Deadbreak Elbows
- 35kV Deadbreak Elbows
- 15/25/28kV Connecting Plugs
- 35kV Connecting Plugs
- 15/25/28kV Insulating Plugs
- 35kV Insulating Plugs
- Shield Adapter and Re-Jacketing Kits
- Aluminum & Copper Threaded Studs
- 15/25/28kV Cable Adapters
- 35kV Cable Adapters
- Aluminum, Copper, & Copper-Top Lugs

In addition to our **QUICK SHIP** inventory program, Richards understands the needs of the MV market and is able to respond quickly to demand for products not currently on the list.

Please contact your local representative for more information or contact Richards directly at sales@richards-mfg.com.
